

Welcome/Introduction	<p>2019 CHC Grant Goals</p> <ul style="list-style-type: none"> ● Belpre Trail –Kelly update with the need for the connection under bridge. Slow process with multi-use trail County Engineer new lead. ● Belpre Nutrition Policy – seeking site ● Gold Star Path – Monies matched and approved. Looking to begin when weather breaks. ● Marietta Middle School Store – Systems purchased, shelves almost ready. Stocking and training near future. ● Nutrition and Physical Activity in Washington County –Most likely Fort Frye School and Lowell. ● Tobacco 21 <p>CHANGE Tool</p> <ul style="list-style-type: none"> ● <u>Choose</u> a Site to Review ● Link to CHANGE tools here: http://www.washingtongov.org/index.aspx?NID=905 ● Advice from members who conducted 2015 Change tool: Very useful and keeps you focused. Questions around policy and environment. Reviewing sites: Same as 2015. Looking at demographics, physical activity, nutrition, tobacco, leadership, etc. through observation, surveys, focus groups, dialogue, photovoice, walkability audit, and windshield tours. ● https://kahoot.it/– <u>Open/Closed Questions</u> Open-ended questions - to get more information – Use Affirmative Inquiry ● Paired & Shared ideas for each sector to practice before going to sites: Work group: How does your business promote a tobacco free environment? Policies put in place? Does your business promote diversity? Physical activity? What's in your vending machines? Use simple language, not technical language when trying to gather information. Community at large: Are able to pull a lot of information already gathered. Attitude towards nutrition is changing. Community gardens Community Institutions/Organizations: What barriers exist with riding bikes to where you need to go? How does leadership affect an organization?
