	<p>Farmer's Market - each student enrolled in GoPacks for the year will receive \$5 to spend at the onsite Farmer's Market (the market will come over to our building for the event!) We will encourage families to visit all the partners by offering them additional chances to win prizes with each partner they engage. Having interactive stations/activities is encouraged and we will be more than happy to help you come up with some ideas if nothing comes to mind. Also, take always are always helpful as well. If your organization has more than one program you are more than welcome to set up more than one station. Our goal is to increase awareness and participation in all of the great programs in our area. There is no cost to participate in our Open House. Please Heather Warner know if you will be joining this outreach event.</p> <p>4. Data Dissemination Specialist from the US Census Bureau Understanding and Using Census Data for Grant Writing. 10/24 at 2:30 at WCHD</p>
