

# SOUTHEAST OHIO BUILDING DEPARTMENT

## FEE POLICY

### Retaining Wall

Retaining walls have a two part calculation method.

Example is for a retaining wall 50 feet in length, 1 foot in width and 5' total wall height from the bottom of the footer (total of 100 s.f).

Processing Fee	\$250.00
\$9.50 per 100 s.f.	<u>\$ 9.50</u>
Sub Total	\$259.50
OBBS 3%	<u>\$ 7.79</u>
Total	<b>\$267.29</b>

\*The square footage of the retaining wall is determined by the length x the width of the wall footer or foundation (calculation #1).

Additional fees are determined as follows:

Up to 5 ft total wall height:	Multiply calculation #1 by 2.
Over 5 ft to 10 ft wall height:	Multiply calculation #1 by 2.5.
Over 10 ft to 20 ft wall height:	Multiply calculation #1 by 3.
Over 20 ft wall height:	To be determined by the CBO.

Fees are due at the time of application.
